

Australasian Society for Breast Disease

in association with

BreastSurg ANZ

Applied Ultrasound for Breast Surgeons

Saturday 19 March 2011

Sydney Harbour Marriott

This one day course is designed for breast surgeons with limited prior experience in the use of ultrasound. The course program will include:

Physics of ultrasound

Practical breast ultrasound optimisation

Breast ultrasound anatomy, pathology & clinical applications

Integration of office ultrasound into (surgical) practice

Ultrasound guided biopsy

Perioperative ultrasound techniques

Practical workshop (scanning, US guided biopsy)

Speakers will include A/Prof Ian Bennett, Ms Jane Fonda, Dr James French, Dr Merran McKessar and Dr Daniel de Viana.

Registration cost of \$499 covers the ultrasound course, lunch, morning and afternoon tea, and drinks.

This educational activity has been approved in the RACS CPD Program. Fellows who participate can claim one point per hour (maximum 7 points) in Category 4: Maintenance of Clinical Knowledge and Skills towards 2011 CPD totals. Accreditation towards CCPU from Australian Society for Ultrasound Medicine has been applied for.

Please register early as numbers are limited!

Accommodation is available at the Sydney Harbour Marriott. Please contact Australasian Society for Breast Disease for special rates and details.
