

Sunday 10 July 2016 - Part B Day 2 - The Langham

Time / Location	Title	Speaker
0830-1200	Registration open	
0830-0900	Coffee/Tea on arrival at Langham	
0900-1100	Dilemmas with Neoadjuvant Treatment	Chair: Dave Moss
Great Rooms 3&4	PLENARY: Advanced Breast Cancer, Neoadjuvant Therapy	Reuben Broom
	Surgical oncology considerations after neoadjuvant therapy	Dave Moss
	Reconstruction options after neoadjuvant therapy & in salvage situations	Stephen McCulley
	Radiation in the neoadjuvant & salvage setting	Frederik Wenz
	Management of the sentinel node post NACT	Andy Evans
	Discussion	Panel
1100-1200	NZBCF Brunch sponsored by The Langham Auckland	
1200-1400	The Live MDT: Breast cancer case studies and panel discussion	Chair: Harman
Great Rooms 3&4	Clinical case based activity using live polling techniques.	Panel: Macmillan, McCulley, Clough, Wenz, Evans, Kenealy, Munster
1400	Close of Meeting	

Sunday 10 July 2016 - Public Event with NZBCF - The Langham

Time / Location	Title	Speaker
0900-1100	Consumer Event	
Crystal Room	Welcome	
	How should we treat small, low-risk cancers found on mammograms?	Andy Evans
	BRCA testing - who needs it?	Pamela Munster
	Considering reconstruction - after cancer or preventive surgery	Krishna Cough
	Five more years! Carrying on with tamoxifen or aromatase inhibitors	Pamela Munster
	Discussion	Panel
1100-1200	NZBCF Brunch proudly sponsored by The Langham Auckland	
1200-1430	Consumer Event	
Crystal Room	Breast cancer and nutrition	Kaytee Boyd
	Pregnancy after breast cancer	Sheridan Wilson
	Monitoring for recurrence: a radiologist's view	Trevor Chan
	What's new in radiotherapy?	Maria Pearse
	Q&A	Open to the floor
	Raffle - Gucci handbag	
1430	Close of Meeting

We would like to thank the following:

Miss Katherine Gale, Scientific Convener, Dr Yvonne Zissiadis, ASBD President, Prof Andrew Spillane, BreastSurgANZ President

Organising committee: A/Prof Meagan Brennan, Dr David Littlejohn, Dr Elisabeth Elder, Dr Reena Ramsaroop, Dr Michelle Reintals, Mr Richard Harman, Mr Reuben Broom.

Speakers: Mr R Douglas Macmillan, Mr Stephen J McCulley, Mr Krishna Clough, Prof Andy Evans, Prof Frederik Wenz, Prof Pamela Munster, Dr Regis Roche, Dr Mike Baker, Dr Vanessa Blair, Ms Kaytee Boyd, Dr Alessandra Canal, Dr Trevor Chan, Dr Peter Chin, A/Prof Boon Chua, Dr Abbey Jebb, Dr Jennett Kelsall, Mr John Kenealy, Dr Jocelyn Lippy, Mr Julian Lofts, Dr Ineke Meredith, Mr David Moss, Dr Maria Pearse, Dr Usha Shan, A/Prof Sanjay Warrier, Dr Sheridan Wilson.

Staff and volunteers: Kerry Eyles, Diane Harapin, Jo Banks, Theo Pengelly, Chelsea Sefton, Judith Miller, Heather Lucas, Luke Purcell.

2nd Australian Breast Congress Advances and Controversies in Breast Cancer

Program

Thursday 7 July 2016 - Part A Day 1 - North Shore Hospital

Time / Location	Title	Speaker
0745-1100	Registration open North Shore Hospital	
1600-1800	Registration open The Langham	
0715	Bus departs The Langham	
0830-0845	Welcome	Dale Bramley
Conference Room		Katherine Gale
0845-1045	Who needs Oncoplastic Breast Conserving Surgery?	Chair: Katherine Gale
Conference Room	Oncological & Aesthetic Rationale	Douglas Macmillan
	Partial Breast Reconstruction: Algorithm for technique selection in breast conserving surgery	
	• Level I Techniques	Andrew Spillane
	• Tennis racket / Round bloc techniques	Elisabeth Elder
	• Therapeutic reduction mammoplasty/mastopexy - Nottingham approach	Stephen McCulley
	• Therapeutic reduction mammoplasty/mastopexy - Paris approach	Krishna Clough
• Volume replacement - Chest Wall Perforator Flaps	Douglas Macmillan	
	Discussion	Panel
1045-1115	Morning tea	
1115-1300	Breast Conserving Strategies & Outcomes	Chair: Andrew Spillane
Conference Room	Patient Reported Outcomes: Oncoplastic breast conserving surgery vs. mastectomy & reconstruction	Jennett Kelsall
	Oncological and Aesthetic outcomes of Oncoplastic Surgery - Paris	Krishna Clough
	Summary - Case Selection Algorithm for Partial Breast Reconstruction Clinical case-based discussions	Stephen McCulley
	MDT panel discussion: How would you treat this patient's cancer?	Panel
	Discussion	
1300-1400	Lunch	
1400-1545	Live Surgery link supported by local faculty discussion	Chair: Elder, Chin
Conference Room	Introduction and Mark-up videos	Katherine Gale
	The role of intraoperative radiotherapy in oncoplastic BCS	Frederik Wenz
	Live surgery link	
	Integrating neoadjuvant systemic therapy with Oncoplastic Breast Surgery	S Warrier, R Broom
	Experience of a NZ Oncoplastic Breast Unit - Tauranga	Peter Chin
	Live surgery link	
1545-1600	Afternoon Tea (in conference room)	
1600-1800	Live Surgery link supported by local faculty discussion	Chair: Elder, Chin, Clough
Conference Room	PFT Experience in an Oncoplastic Breast Unit in NZ - Auckland	Ineke Meredith
	Live surgery link	Krishna Clough
	Setting up an Oncoplastic Breast Unit in NZ - Whangarei	Usha Shan
	Live surgery link	Krishna Clough
	Closing remarks	
1800	Bus to Langham	

Friday 8 July 2016 - Part A Day 2 - North Shore Hospital

Time / Location	Title	Speaker
0715-1130	Bus departs The Langham	
0800-0900 Conference Room	Breakfast Symposium - Industry presentation 'The Gadget Show' <i>Breakfast provided during the Symposium</i>	
0900-1100 Conference Room	Whole Breast Reconstruction Breast Aesthetics	Chair: Krishna Clough Stephen McCulley Katherine Gale Frederik Wenz John Kenealy Douglas Macmillan Krishna Clough Panel
	Setting the scene: The oncoplastic mastectomy	
	Indications for Post-mastectomy radiotherapy	
	Autologous Reconstruction - Selection & Technique	
	Implant Reconstruction - Selection & Technique	
	Fat Grafting - Revolutionising modern breast surgery	
	Discussion	
1100-1130	Morning tea	
1130-1300 Conference Room	Familial Breast Cancer: Risk and Risk Management Effectiveness of surgical and non-surgical risk reducing strategies Delivering a risk reducing surgery service Nipple Sparing Mastectomy - Is it safe? Nipple Sparing Mastectomy - Technique & Reconstruction Options Discussion	Chair: Andrew Spillane Vanessa Blair Douglas Macmillan Katherine Gale Stephen McCulley Panel, Clough, Kenealy
1300-1400	Lunch	
1400-1530 Conference Room	Live Surgery link supported by local faculty discussion Introduction and Mark-up videos How to approach reconstruction in the face of radiotherapy? Live surgery link Breast cancer surgery & reconstruction following previous cosmetic breast surgery	Chair: Kenealy, Warriar Katherine Gale John Kenealy Krishna Clough Julian Lofts
1530-1730 Conference Room	Live Surgery link supported by local faculty discussion (Afternoon tea - conference room) The Obese patient: strategies & risks of reconstruction Live surgery link Reconstruction in the Older patient: Strategies, evidence and complications Live surgery - closing comments	Chair: Kenealy, Warriar, Clough Alessandra Canal Krishna Clough Alessandra Canal Krishna Clough
1730	Close of day	
1735	Bus to Langham	
1800-2000 Trade Area	Networking drinks (Please present ticket)	

Friday 8 July 2016 - Radiation Symposium: Update on Personalising Management - The Langham (optional)

Time / Location	Title	Speaker
0800-1400	Registration open The Langham	
1700-1830	Registration open The Langham	
0830-0900	Coffee/Tea on arrival at The Langham	
0900-1045 Crystal 2	Screening 1. Tomosynthesis Part 1 2. Tomosynthesis Part 2 3. Clinical Breast Exam 4. Tailored Screening based on Risk assessment 5. Does MRI of BRCA1 carriers save lives?	Chair: Michelle Reintals Andy Evans Andy Evans Meagan Brennan Mike Baker Andy Evans
1045-1115	Morning tea	
1115-1310 Conference Room	Axilla staging and management 6. Ultrasound of the axilla 7. Surgical management of axilla 8. VAB removal of the Sentinel node 9. RT to the regional lymphatics: who and extent 10. Question time	Chair: Zissiadis, Reintals Michelle Reintals Richard Harman Andy Evans Frederik Wenz Panel
1310-1400	Lunch	

Friday 8 July 2016 - Radiation Symposium: Update on Personalising Management - The Langham (optional) continued

Time / Location	Title	Speaker
1400-1630 Crystal 2	Potpourri Session 11. Shearwave Elastography of the breast 12. Predicting and measuring response with US and Shearwave 13. IORT (including Intrabeam) 14. Intrabeam - the New Zealand experience 15. Risk adapted RT in Breast Cancer - the continuum 16. Partial breast RT 17. Question time	Chair: Yvonne Zissiadis Andy Evans Andy Evans Frederik Wenz Maria Pearse Frederik Wenz Boon Chua Panel
1630	Close of day	
1800-2000	Networking drinks (Please present ticket)	

Saturday 9 July 2016 - Part B Day 1 - The Langham

Time / Location	Title	Speaker
0700-1630	Registration open	
0730-0830 Crystal 1&2	Breakfast Session - Science & Application of Lipofilling <i>Sponsored by Stemcis. Breakfast served in the room</i>	Regis Roche
0800-0830	Coffee/Tea on arrival at Langham	
0830-0845 Great Rooms 3&4	Welcome	Gale, Zissiadis, Spillane
0845-1030 Great Rooms 3&4	Genetics, Tumour Molecular Biology & Medical Oncology Multigene array tests & their clinical application Genetic testing in breast cancer: Rapid BRCA testing and its role in influencing management A Randomised Phase II Trial "Personalising Radiation Therapy in Luminal A Breast Cancer" KEY NOTE: The role of multigene assays in influencing adjuvant systemic therapy Discussion	Chair: Reuben Broom Reena Ramsaroop Pamela Munster Boon Chua Pamela Munster Panel
1030-1100	Morning tea	
1100-1315 Great Rooms 3&4	Risk Based Assessment 1 KEY NOTE: Screening in younger women, Tomosynthesis in screening & Should we screen women over 70yrs? LARRIKIN (Low And intermediate Risk ductal carcinoma in situ study) Low risk axillary disease - To treat or not to treat Margins: Is bigger better? Why are the rates of contralateral mastectomy increasing? - Valid indication or over treatment Discussion	Chair: Michelle Reintals Andy Evans Jocelyn Lippey Richard Harman Katherine Gale Abbey Jebb Panel
1315-1400	Lunch	
1400-1550 Great Rooms 3&4	Risk Based Assessment 2 KEY NOTE: Radiation Oncology: APBI - the new standard in selected patients Who can we omit from radiotherapy treatment? Radiotherapy implications in Oncoplastic/Reconstructive breast surgery Selective radiotherapy in breast conserving surgery - IORT Discussion	Chair: Yvonne Zissiadis Frederik Wenz Maria Pearse Douglas Macmillan Maria Pearse Panel
1550-1620	Afternoon tea	
1620-1720 Great Rooms 3&4	Debate : Breast Cancer Management: Oncoplastic vs Oncocosmetic Reconstruction - Avoiding deformity? vs Breast Aesthetic Enhancement with Cancer Resection Discussion	Chair: Katherine Gale Krishna Clough, Douglas Macmillan Panel
1720	Close of day	
1900-1930 Great Rooms 3&4	Pre-dinner drinks (Please present ticket)	
1930	Gala Dinner - The Great Room, The Langham Hotel (Please present ticket)
