

ASBD BREAST CARE NURSE SCHOLARSHIP

Value up to \$3315 (1 available per ASBD Conference year)

Eligibility Criteria

- Breast Care Nurse who is a current financial member of ASBD.
- Has not previously been awarded this ASBD Breast Care Nurse Scholarship.

Application

Submission of an abstract (which may be considered for an oral or poster presentation). Eligible applicants should notify the annual meetings organiser when submitting their title and abstract (so that they know you wish to be considered for the scholarship).

A cover letter should express the wish to be considered for the Breast Care Nurse Scholarship, the name of the supervisor for the work and the role played by the applicant in the work presented.

A letter is required from the supervisor to confirm the Breast Care Nurse's role in the project. This can be submitted after the initial application but must be received by the organising committee prior to judging.

Decisions regarding abstract selection will be made by the organising committee based on the merit of the work presented and the contribution of the applicant to that work.

Judging

The Scholarship recipient will be decided by a panel of at least three judges who are Board Members of ASBD, breast care nurse members might also be consulted during the judging process. Supervisors of applicants cannot be judges. The successful applicant will be announced approximately two months prior to the ASBD Scientific Meeting to allow the successful applicant time to plan.

Reporting

- Provide a brief written report on one session attended which you found to be a Conference highlight which will be included in the ASBD Newsletter (provide a photo of yourself to accompany the report; please supply within two months of attending).

Scholarship Includes: A financial grant to cover costs including return economy airfares, 3 x nights' accommodation at the Conference, transport to and from airports, incidental travel expenses including travel insurance; PLUS, provision of Conference and Workshop Registration as well as Welcome Drinks & Conference Dinner (on top of financial grant funding).

Total Scholarship Financial Value: Up to **\$3,315**
