

Australasian Society for Breast Disease

in conjunction with

BreastSurg ANZ

Applied Ultrasound for Breast Surgeons

Saturday 23 February 2013

8.30am-5.30pm

Melbourne Marriott Hotel Cnr. Exhibition & Lonsdale Streets, Melbourne

This one day course is designed for breast surgeons with limited prior experience in the use of ultrasound. The course program will include:

Physics of ultrasound

Practical breast ultrasound optimisation

Breast ultrasound anatomy, pathology & clinical applications

Integration of office ultrasound into (surgical) practice

Ultrasound guided biopsy

Preoperative ultrasound techniques

Practical workshop (Live scanning of patients; core, fine needle and novel biopsy techniques on phantoms)

Speakers will include A/Prof Ian Bennett, Dr Daniel de Viana, Mr Michael Law, Ms Emily Wright and Dr Manish Jain.

Registration cost of \$550 covers the ultrasound course, lunch, morning and afternoon tea, and drinks.

This educational activity has been submitted to the RACS CPD Program. Accreditation towards CCPU from Australian Society for Ultrasound Medicine has also been applied for.

Please register early as numbers are limited!

Accommodation is available at the Melbourne Marriott from \$235 per night. Please contact Australasian Society for Breast Disease for bookings.
